BUS STOP ADA ACCESSIBILITY - FTA STATE OF GOOD REPAIR GRANT,

Monday, March 25, 2013

Q #	Question	Answer
2	Please clarify the apparent duplication of Items 0060 and 0070 Intergral PCC Curb and Gutter. One is for 525 LF and the other is for 350 LF. Both have the same Item Number.	Yes, both items are listed in the bid form. The combined total of both items is correct. Please bid each item as listed.

Wednesday, March 20, 2013

1	Can the Department provide a breakdown of quantities by county for the major items. If a breakdown cannot be provided can we establish separate unit prices by county for the major items, much the same way you pay for flaggers who's classification has the least variance of those listed above.	This is a statewide contract. We do not have breakdowns by county. A list of locations by county has been provided in the bid documents.
